Good to Know

Your Benefit Limit

The **Benefit Limit** is the maximum amount that can be claimed under each section of cover in **Your Policy** in any given **Policy** period. These are yearly limits that refresh each year if **You** continue to renew **Your Policy**. The **Benefit Limit** amounts are detailed in **Your Schedule** and are inclusive of **Excess** payments made by **You**.

There is no limit to the number of **Conditions Your Pet** may have in a **Period of Insurance**.

We've included examples below to show **You** how the **Benefit Limit** works with **Your Excess**: -

Example 1 (New Claim for a new Condition)	
Benefit Limit	**£4,000.00**
Cost of **Vet Fees**	£4,100.00
Less amount not insured (over **Benefit Limit**)	-£100.00
Less the **Excess**	- £90.00
Total Paid to You	**£3,910.00**

In example 1 above, the **Vet Fees** claim is over the **Policy Benefit Limit** (£4,000.00) so £100.00 is not insured. In addition, **You** must contribute the **Excess** of £90.00. In this example, **We** pay £3,910.00 for this **Condition**.

Example 2 (Continuation for above claim)	
Benefit Limit	**£4,000.00**
Claim Value	£800.00
Less amount not insured (over **Benefit Limit**)	-£800.00
Less the **Excess**	-£0.00 (N/A)
Total Paid to You	**£0.00**

In the second example, this is a continuation claim for the same **Condition** within the same **Period of Insurance** and therefore is excluded as not insured because the selected **Benefit limit** has already been exceeded.

Example 3 (New Claim for a New Condition)	
Benefit Limit	**£1,000.00**
Claim Value	£1,835.90
Less amount not insured (over **Benefit Limit**)	-£835.90
Less the **Excess**	-£90.00
Total Paid to You	**£910.00**

In this third example, for a lower **Benefit Limit** (£1,000.00), the **Vet Fees** claim is higher than the **Benefit Limit** (£1,000.00) for this different **Condition** and therefore £835.90 is not insured. In addition, **You** must contribute the **Excess** of £90.00. In this example, **We** pay £910.00 for this **Condition**.

Pre-Existing Conditions and Waiting Period
In pet insurance, **Pre-Existing Condition** and claims within the **Waiting Period** are both common causes which lead to claims being declined.

Please read carefully the definition for **Pre-Existing Condition** and **Waiting Period** and if **You** remain unsure about these definitions, please contact **Perfect Pet** for clarification in connection with **Your Pet**'s own individual circumstances.

With respect to all other sections of cover, the increased **Benefit Limits** will not apply to any claim that occurred prior to the upgrade date.

Finally, in the event **You** decide to downgrade **Your Policy** to a **Product** with lower **Benefit Limits**, the higher **Benefit Limits** from **Your** previous **Policy** will automatically cease and will no longer apply to any current, on-going or in progress claim. **You** can downgrade **Your** cover at any time.

- **You** must provide **Us** with full details of any other insurance **Policy** held in **Your** name or held in connection with **Your Pet**.
- In the event that there is another insurance **Policy** in force, **You** must report the incident to that insurance company first and tell **Us** the name of that insurance company, **Your Policy** number with that company and the reason for **You** lodging a claim with that insurance company.
- **We** reserve the right to remove this section of cover, Third Party Liability, from **Your Policy** where **We** believe cover should be withdrawn – for example, if **Your Pet** starts displaying **Aggressive** behaviour.

SECTION 9 - GENERAL CONDITIONS

As with all insurance policies, there are exclusions and conditions that apply to **Your** coverage. **We** have listed below the conditions that apply to all sections of **Your Policy** coverage.

The following conditions apply to the whole of this **Policy**

- **You** must tell **Us** immediately of any changes in **Your** circumstances that may affect **Your Pet** insurance and the cover provided.

  This includes but is not limited to; any change of address for either **You** or change in **Your Vet**, any change of ownership of **Your Pet**, or any complaints made about **Your Pet**, including any change in **Your Pet**s normal, everyday behaviour or if **Your Pet** starts displaying **Aggression**.

  Some changes may result in a **Premium** change, or **Your Policy** being cancelled.
- **You** agree that **Your** current and any previous **Vet** may release information or records regarding the medical history (including test results and the history of the weight) for any of **Your Pet**s insured with **Us**.
- **You** agree that **We** can commence legal action to get compensation from any third-party or recover from any third-party any payments that have already been made in **Your** name.
- **You** must ensure that **Your Pet** is vaccinated and dewormed and that all recommended vaccinations are kept up to date.

  As a minimum, **Your** dog should be vaccinated/protected against distemper, hepatitis, leptospirosis, parvovirus, kennel cough, lung worm, round worm, rabies and ectoparasites and receive regular booster vaccinations.

  As a minimum, **Your** cat should be vaccinated/protected against infectious cat flu (feline herpes virus, FHV and feline calicivirus, FCV), feline parvovirus, lung worm, heart worm and feline leukaemia virus (FeLV) and receive regular booster vaccinations.

  If **Your Pet** is not vaccinated, **We** will not pay any claims that result from any of the above **Illnesses**, unless the vaccination has failed.

  We will request evidence of vaccinations to be provided by **Your Vet**.
- **You** must provide proper care and attention to **Your Pet** at all times and take all reasonable precautions to prevent **Accidental Injury,** ingestion of poisons and foreign bodies, or damage, as well as arranging and paying for **Treatment** for **Your Pet** to reduce the likelihood of **Illness** or **Accidental Injury**.
- **You** must comply with all laws that relate specifically to **Your Pet**, including but not limited to “Section 27 of the Road Traffic Act 1988”, which states that a dog that is on a designated road must be on a collar and lead and under control.
- **You** must ensure that **Your** dog is under control at all times, and due care should be maintained to prevent **Your** dog from escaping and causing itself **Accidental Injury** or any other persons or animals.
- When walking near or in an area where **Your Pet** could escape onto a designated road **You** must ensure **Your** dog is on a collar and lead.
- **You** must ensure **Your Pet** cannot escape or stray from **Your** property.
- **You** must ensure that any area in which **Your Pet** is kept is secure and appropriately fenced or otherwise secured and all reasonable steps must be taken to prevent escape.
- When loading **Your Pet** into or out of **Your** vehicle or another person’s vehicle, **You** must ensure that the area is either secure or **Your Pet** is on a lead and under **Your** control.
- If **Your Pet** is injured in an attack by another dog **You** must supply **Us** with witness statements and full details of the other pet owners insurance as **We** may take action against the owner of the other dog on **Your** behalf if **We** feel the other dog owner can be proved legally liable.
- If **You** deliberately or recklessly mislead **Us** or conceal information that **We** consider important to the **Policy** at **Your Policy Start Date** or renewal, **We** may cancel **Your Policy** and retain any **Premium** paid. This includes where **Your Pet**’s **Breed** or date of birth has not been declared to **Us** correctly and is not stated correctly on **Your Schedule** as a result. Actions such as these could lead to **Us** voiding **Your Policy**.

- At the end of each **Period of Insurance**, **We** may alter the terms and conditions of **Your Policy**. **We** may take into consideration the following, but not limited to: **Your Pet**'s age, medical history, **Excess**, **Policy** benefits, and the **Premium**.
- If **We** are unable to collect any **Premium** when due, **We** will try to contact **You** in order to collect the **Premium**. If **We** cannot collect the outstanding **Premium** within 14 days of the **Premium** due date, **Your Policy** will be cancelled with effect from the **Premium** due date. Any outstanding claims, whether submitted to **Us** or not, will not be honoured or paid.
- **Your Pet** must be microchipped in accordance with UK regulations. From the 10 June 2024, cats in England will need to be microchipped and registered on a database by the time they're 20 weeks old. Please see https://www.gov.uk/get-**Your**-dog-cat-microchipped for full details of **Your** legal duties.
- It is **Your** responsibility to ensure that the information held on record by the relevant microchip provider is kept accurate and up to date for **You** and **Your Pet**.

- The cover provided by this **Policy** only applies to incidents which occur within the **UK** and will not apply to any event arising in any countries outside of the **UK** with the exception of "Section 4 - Overseas Holiday Cover - Veterinary Fees" where cover is extended for emergency **Vet Fees** only which occur outside of the **UK**, but at all times within the EU for countries that are members of the "**Pet Travel Scheme**" (PETS).
- **You** must submit any claims and fully completed claims forms to **Us** in a timely manner. In any event, **We** will not pay claims greater than 90 days old.
- If at the time of an event giving rise to a claim under this **Policy**, there is any other insurance policy in **Your** name, which is active and provides cover for the same expense, loss, damage or liability then **We** will only be liable for **Our** proportionate value of the claim, such proportion being determined by reference to the cover provided under each of the relevant policies. This General Condition does not apply to the Third-Party liability section of cover.
- In the event that there is another insurance policy in force, **You** must report the incident to that insurance company first and tell **Us** the name of that insurance company, **Your Policy** number with that company and the reason for **You** lodging a claim with that insurance company.
- **You** agree that any cover, the payment of any claim and any benefit provided under **Your Policy** will be suspended, to the extent that providing any cover, the payment of any claim or the provision of any benefit would expose **Us** to any sanction, prohibition or restriction under any:

  b. trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America.

  The suspension will continue until **We** are no longer exposed to any sanction, prohibition or restriction.

SECTION 10 - GENERAL EXCLUSIONS

As with all insurance policies, there are exclusions and conditions that apply to **Your** coverage. **We** have listed below the exclusions that apply to all sections of **Your Policy** coverage.

The following exclusions apply to the whole of this **Policy**. **We** will not pay claims for any of the following reasons;

Mark-up is the difference between an item's wholesale cost to the veterinary clinic and its selling price to **You**.

  By way of example, if a veterinary clinic purchases something for £5 and then sells it to **You** for £10, the profit is £5, which is a 100% markup. **Our Policy** will cover the 100% charge of £10. However, if a veterinary clinic purchases something for £20 and sells it to **You** for £60, then the mark-up is 200% which means **Our Policy** will only pay £40 towards this medication which is the 100% mark-up.

- Any loss, damage or liability, cost or expense of any kind caused directly or indirectly by war, civil war, invasion, insurrection, rebellion, terrorism or revolution.
- The cover provided by this **Policy** only applies to incidents which occur within the **UK** and will not apply to any event arising in any countries outside of the **UK** with the exception of "Section 4 - Overseas Holiday Cover - Veterinary Fees" where cover is extended for emergency **Vet Fees** only which occur outside of the **UK**, but at all times within the EU for countries that are members of the "**Pet Travel Scheme**" (PETS).

- Any liability under this **Policy** for any claim, loss, damage, demand or expense directly or indirectly caused by or resulting from or in connection with the actual or threatened malicious use of pathogenic or poisonous biological or chemical materials regardless of any other cause or event contributing concurrently or in any other sequence thereto.
- Any liability under this **Policy** for claim, loss, damage, demand or expense directly or indirectly caused by or resulting from or in connection with **Your Pet** passing on any disease, infection or virus to another animal or human including, but not limited to, rabies and all other Zoonotic Diseases.
